Royal Caribbean's Liberty of the Seas Sails to New Horizons with Innovative Family, Wellness and Wedding Programs!

programming, and the Crown & Anchor Society Youth Loyalty Program have been added to the array of signature amenities

Royal Caribbean will launch its newest ship to the Caribbean on May 19, 2007, unveiling several innovative programs aimed to enhance the cruise experience for cruisers of all ages and interests. A new Vitality wellness program, Explorer Weddings, Adventure Ocean family

already offered to guests on a Royal Caribbean cruise vacation.

For health-conscious enthusiasts, the new Vitality program provides a more invigorating and rejuvenating vacation through a balanced regimen of food, fitness, spa and shore excursion offerings. The Liberty's largest fitness center at sea includes a regulation-size boxing ring. Guests can sign-up for Tai Chi, wellness seminars, and acupuncture while sailing the crystal-blue waters of the Caribbean.

An extension of the line's existing Royal Romance wedding and vow renewal program is the new Explorer Weddings option. Guests can "tie the knot" while flying on a hot-air balloon, while surfing on Liberty's Flow Rider, or while scuba diving on the ocean bed.

Adventure Ocean is Royal Caribbean's program for younger cruisers. Enhancements such as Adventure Theater by Camp Broadway, New York City's famed children's theater group, will introduce kids and teens to the world of theater arts through music, dance, and cultural elements. Toddlers can take their first steps to becoming culinary stars in Fisher-Price's "Chefs on Deck." Finally, the Crown & Anchor Society will introduce its first youth loyalty program with frequent cruiser rewards.

The Liberty of the Seas will alternate its 7-night itineraries sailing from Miami to San Juan, St. Maarten, and Labadee (Eastern Caribbean) and to Montego Bay, Grand Cayman, Cozumel, and Labadee (Western Caribbean). Fall cruise fares begin as low as \$699 per person (miscellaneous fees and taxes additional).
